CORPORATE

SPORTS FEST

2025

BADMINTON WOMENS RULES

Qualification:

- Top 2 teams from each group will qualify for the round of 32.
- Ranking will be determined based on Points and Wins.
- In case of teams finishing the league round with equal points, qualification will be decided based on point difference.

Scoring System:

- League and Knockout matches consist of 1 set of 21 points.
- Finals consist of 3 sets of 11 points.
- Every time there is a serve, there will be a point scored, unless that point is replayed.
- The first to reach 11 or 21 based on the game wins the game.

Doubles Play:

- At the beginning of the game and when the score is even, the server serves from the right service court. When it is odd, the server serves from the left court.
- The server must hit the shuttle into the opposite service court. In doubles, this extends to the outside rectangular space.
- Once the shuttle is hit after a serve it may be returned to any portion of the other end of the court marked by the outside edges of the boundary lines.
- If the receiving side wins a rally, the receiving side scores a point. The receiving side becomes the new serving side.
- The players do not change their respective service courts until they win a point when their side is serving. After the serve is played by the receiving team, either partner may make a play on the shuttlecock during consecutive returns.

Faults:

- If in serving, the shuttlecock is struck above the server's waist.
- If at the serve, the shuttlecock falls into the wrong receiving court.
- If the server's and receiver's feet are not within the boundaries of their serving and receiving court, respectively.
- If the partner of the receiver takes the serve.
- If a player touches the net with his/her racquet, person, or clothes.
- If the shuttlecock is struck in return before it has crossed the net to the side. (The follow-through may break the plane of the net.)

General Rules:

- You should not serve until the opponent is ready, but if the player attempts to return the serve, he is considered ready and play continues.
- If you miss the shuttlecock while serving, you may serve again provided your racquet did not make any contact during the attempt.
- Birdies that hit the net as they cross during play are good and should be played.
- Birdies that fall on the line are considered good.
