BASKETBALL RULES

Qualification:

Top 2 teams from the group will qualify.

Ranking will be determined based on Points and Wins.

In case of teams finishing the league round with equal points, qualification will be decided based on point difference.

Format:

2 quarters of 10 mins. 20 mins game

No of Players on field: 5

Duration:

The game consists of two quarters, and each quarter lasts 10 running minutes. The total playing time is 20 minutes.

Teams:

Two teams, each consisting of five players on the court at a time, compete against each other.

Jump Ball:

The game begins with a jump ball at the center circle, where one player from each team jumps to tip the ball to their teammates.

Scoring:

Points are scored by shooting the ball through the opponent's basket. A field goal made from outside the three-point line counts for three points, while shots made inside the three-point line count for two points. Free throws, awarded after certain fouls, count for one point each.

Fouls:

Personal fouls are called for illegal physical contact, and teams accumulate team fouls throughout the quarter. After a certain number of team fouls, the opposing team may be awarded free throws.

Possession Arrow:

The possession arrow determines which team gets the next possession after a held-ball situation.

Substitutions:

Players can make substitutions during stoppages in play.

Timeouts:

Each team is allowed 1 timeout during each quarter.

Jump Ball Alternating Possession:

Instead of a jump ball to start the second quarter, the team that lost the initial jump ball is awarded possession.

Overtime (if applicable):

If the game is tied at the end of the second quarter, there may be an overtime period to determine the winner.
